

SPECIFICATIONS SHEET

TURBO SONIC MIXER

Certification: CE, EMC, ETL, GS, RoHS, PSE SAA CETL

Capacity: 3000 ml (3.2 quarts)

Tank Size: 25.0x17.4x7.8 cm.

Power (W): 150

Voltage (V): 110

Model Number: CSI-1119

Brand Name: Culinary Sonic Instruments

Place of Origin: Guangdong, China (Mainland)

Color: White with blue lid

Tank capacity: 3000ml

Tank material: Stainless steel SUS304

Power: 60W ultrasonic alone 130W heater alone 150W ultrasonic and heater together

Frequency: 36000hz

Display: 3 color LED display

1-30 Minute Digital Timer

5 Temperature settings (40,45,50,55,60 C) Temperature Display in either C or F

Degas Mode

Industrial grade ultrasonic transducers (pulse and sweep modes), ceramic heater, cooling fan

Industrial grade Integrated Circuit.

Improved function: Moisture proofed Printed Circuit Board Overheat protector

Drainage valve.

Accessories: White plastic basket, drainage hose, detachable electric cord, online manual

Warranty: 12 months with option to repair or replace
